*The following are policies and guidelines to ensure a successful performance and pleasant experience*

**ADMISSION:** All guests entering Splash Lagoon Indoor Water Park must have valid admission.

**UNIFORM:** Your group must wear coordinated and matching outfits (all one-color shirt and one-color pants) during the performance. Attire should be professional and appropriate for a performance. Matching school t-shirts and jeans are considered acceptable attire for anyone in the group. Swim attire is not permitted to be worn while performing. Please keep in mind that performances may be inside the water park with temperatures of up to 84 degrees with humidity. Elaborate performance costumes may not be worn before or after the performance.

**MUSIC:** All show material performed at Splash Lagoon Indoor Water Park must be submitted for review with your application. Our team suggests you select upbeat and popular pieces for the performance. The most important part of your performance is to have fun and enjoy the excitement of our guests watching your performance.

**ADDITIONAL NEEDS:** Please let us know any specific details prior to your performance. We do not provide chairs, risers, music stands or any other audio. Tunes at the Lagoon is a new program for Splash Lagoon. Your feedback after the event will play an important part of ensuring the continued success for the program.

**TIME OF ARRIVAL:** You will be expected to arrive 30 minutes prior to your set performance time. This can be adjusted ahead of time.

**FACILITIES:** Warm-up space may be available on request. Splash Lagoon does not provide storage for equipment before or after the performance.

**SCHEDULE:** The performance group will be escorted to the performance area 5-10 minutes prior to the performance to be ready by the scheduled start time.

**SWIMMING:** Depending on the performance time, the group will have swimming time before and/or after the performance. If swimming occurs before the performance, the group is responsible for ensuring all performers are ready by the performance time.

**TO QUALIFY:** There is no minimum requirement for the size of the performance group. Due to limitations with space, Splash Lagoon may not be able to accommodate extremely large performance groups (40+). Please contact us for any questions about large group sizes.
